**ABSTRACT:** *The author can talk long distances in their hearts with human spirits, prophets, gods, and God. There are many Christian Dogmas that vary according to different church denominations. God Jahowa gave the New Dogma of Christians (NDC) to the author and commanded the author to found the New Christian Church (NCC) which accepts all NDC, so that all church denominations in the world have the same dogmas.*

**KEYWORDS:** Church Denomination, NDC, NCC.

## INTRODUCTION

The author has been able to talk remotely with human spirits, gods, prophets and God since 2012. Many church denominations in the world have different or non-uniform dogmas, for example the Trinity dogma. Some denominations say that all (100%) of the Spirit of God Jahowa was given to the God Jesus. While others say only His glory lives in heaven. Likewise with the dogma of Baptism, some use sprinkling baptism and some use immersion baptism. Meanwhile, regarding the God Jesus' fasting of 40 days, it is not clear whether he did not eat or drink, or whether he did not eat but drank? Likewise with Tithing; some enforce it and some do not. Meanwhile, some people offer Holy Communion every Sunday, some once a month, and some twice a year. God Jahowa ordered the author to write down the NDC as below with the aim of uniformity. God Jahowa ordered the author to form the New Christian Church (NCC) as his most favored church which implements all the NDC.

## NEW DOGMA OF CHRISTIANS (NDC)

### The New Dogma of the Trinity

Many dogmas about the Trinity are adhered to by various church denominations in the world. For example, all (100%) of the Spirit of God Jahowa becomes the Spirit of God Jesus. According to God Jahowa, the new true dogma is:

The ratio of the Spirit of God Jahowa to the Spirit of God Jesus Christ is 80% : 20% (scale 4:1). This 20% spirit was given to Mother Mary when she was pregnant, and this spirit developed into adulthood.

According to God Jahowa, the 20% Spirit is 30 cm long; while according to Mother Mary, the God Jesus as a baby was about 40 cm long. God Jahowa said that they (spirit and body) will be equal in length within one month.

So, if asked how many Christian gods are in the Bible? The answer is two, namely God Jahowa and God Jesus.

### *Why is the Trinity Dogma above (Section B.1.) only now being explained?*

**Answer:** Because if we were told when the God Jesus was still a baby, it would be possible for 20% of His Spirit to ascend to heaven, while the rule is to convey the spirit only once; so it could be that the plan to hold a Savior will be canceled (failed).

### *Why was the Trinity Dogma above (Section B.1) not made known during the lives of the apostles?*

**Answer:** Because the communication capacity of the apostles was insufficient. Meanwhile, the author obtained a long-distance communication channel in his heart not from God Jahowa, but from God above. Now the author has a capacity of 30 million kbps.

**B.1.2. About the Holy Spirit;** According to God Jahowa, the Holy Spirit is a collection of holy Old Testament human spirits, which were formed after the God Jesus rose. Their number was

5200 spirits, but has now been increased to 10,000 spirits, and it is still possible to increase in the future.

### **B.2. Creator of the Sun and Planets in the Milky Way Galaxy**

In the author's conversation with God Jahowa about the Milky Way Galaxy which consists of: Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto; He said that He was the one who created the galaxy. However, the Planet Pluto came into being as a result of the creation of the Sun and the Planet Neptune.

According to God Jahowa, the Milky Way Galaxy was not originally given a name, so it could not be included in the Bible. However, after being given the name by an American astronaut, God Jahowa felt it necessary to convey it to the author to convey it to the people.

### **B.3. God Jahowa's Favorite Baptism**

God Jahowa prefers Splash Baptism compared to Submersion Baptism. This is because Submersion Baptism has a weakness. The weakness of immersion baptism is that in general baptism is carried out on members aged 10 years and over, except for those who have just converted. So, if a congregation child under 10 years old dies without being baptized, then the angels will have difficulty determining him to go to heaven; because there is no sign of seal on the spirit of the child in question, because he has not been baptized.

However, after immersion baptism was discussed in the Spirit World with leaders of the Charismatic and Pentecostal churches (on the evening of September 23, 2019), they did not agree with the change of immersion baptism to sprinkler baptism. However, God Jahowa asked the author whether there was an alternative? So the author answers that the alternative that can be done is to Submersion Baptism when the baby is one year old. Furthermore, those aged one year and over and those who have not been baptized must be completely baptized. Baptism at the age of one can be done in a river, pond or sea.

### **B.4. The 16 Day Fast is a Youth Fast**

There is a fast that can be taken by Christians who are over 17 years old, namely the 16 day fast. During this fast, do not eat but drink 3 glasses a day: 1 glass at 6 am, 1 glass at 12 noon, and 1 glass at 6 pm.

This fast is not obligatory and it is only taken once in a lifetime. If fasting is incomplete (unsuccessful), then fasting can be repeated after 7 months. The purpose of this fast is to make children's spirits holier.

### **B.5. The 31 Day Fast is the Savior's Fast**

The 31-day fast is the Savior's Fast, namely not eating but drinking three glasses of clear water per day, namely at 6 am, 12 noon and 6 pm.

After observing the Savior's Fast, there is no longer any desire to have sexual relations with husband and wife. So this fast is very suitable for prospective Catholic priests and nuns.

This fast is enough to be done once in a lifetime. If fasting is incomplete (unsuccessful), then fasting can be repeated after 7 months.

This fast can be taken by those who desire to become Christian gods after dying in the Spirit World (in Heaven). However, there is no guarantee of becoming a god because there will still be an evaluation by God Jahowa, for example regarding the number of sins.

When breaking the fast, you should eat two tablespoons of papaya or rice porridge per minute until you are half full.

### **B.6. Kollekte**

God Jesus said that the maximum collective offering per week is 1% of a month's income. So, the total kollekte per month is a maximum of 4% of the net salary per month.

### **B.7. Tithes become Fifths**

God Jahowa said that the tithe was too heavy, so it was reduced to the Fifth (Fiveth), which is 5% of the net salary per month.

### **B.8. Holy Communion (HC), how many times a year?**

The implementation of Holy Communion varies in each church denomination. Some do it every Sunday, and some do it once a month. The God Jesus told the author that HC should only be carried out once a year, namely on the Day of the God Jesus' death. If it is done once a week or once a month then the God Jesus will have problems in heaven.

## **C. NEW CHRISTIAN CHURCH (NCC)**

God Jahowa told the author to establish the New Christian Church (NCC).

The NCC Vision is:

making NCC the most favored church of God Jahowa on Earth.

NCC's mission is:

1. Accept and publish all the NDC,
2. make all NCC congregations have better holiness.

NCC's logo is:

### **Logo Meaning:**

1. The NCC's logo means a group of Christians who are filled with the Holy Spirit,
2. The NCC's logo is dynamic. This means that the weight of the circle can be moved to be carried on the head of the cross or on the left, or on the right.

I have discussed with God Jahowa, God Jesus, and the Holy Spirit about the commonality of world Christian Dogma, namely the NDC. God Jahowa ordered me to write a letter (email) to the Chairman of the Indonesian Church Fellowship and the Chairman of the World Church Fellowship to equate the NDC as above, and then convey it to all church denominations in the world with the following provisions:
